# Your **home**

**Centrally located in Inglewood, Brightwater The Village is a warm and welcoming home thoughtfully designed for people living with dementia.**

Brightwater The Village is backed by 120 years of experience in residential aged care and built on the concept of a social model of care. With 44 private rooms and 10 shared rooms all joined by open-plan social spaces, you'll be surrounded by beautiful outdoor areas providing plenty of fresh air, sunlight and solitude.

With Brightwater, care is never hard to come by. Our multi-skilled team includes nurses and therapists, all ready to accommodate complex needs like immobility, cognitive impairment and continence. And with behind-the-scenes support from the Brightwater Research Centre, wellbeing is always our top priority.

# Life at **The Village**

Based on the concept of a social model of care, Brightwater The Village has been designed with individual households. Each home to a small community with shared spaces where you, your family and friends can come together and connect.

Whether you want to get involved in our range of social activities or bask in the sunlight of our beautiful gardens, our team will always accommodate your preferences. All houses surround the internal gardens, allowing all residents to take advantage of the beautiful space.

Community is key, so we're always adding activities and events to the agenda. Visiting pets are ever popular, while sensory stimulation in our sensory rooms encourage engagement and relaxation. Residents are encouraged to participate in our Village Shed activities, gardening club, and get out and about with Cycle for Life.

Be a part of it all in our shared living areas or find a quiet corner whenever you like. Movies, activities and games are also available for all families throughout the weekend.

Our rooms have familiar furnishings and décor to keep you cosy, with abundant lighting and views to keep you connected with nature.

Brightwater The Village belongs to the larger Brightwater Central campus, which includes Brightwater Inglewood and the Brightwater head office. Located in the between The Village and Inglewood is the children's playground, and families are encouraged to visit Oasis Café located on the ground floor of Brightwater Inglewood.

And of course, ample parking means family and friends are always invited.

We're proud to be part of an inclusive organisation. Brightwater The Village welcomes people of all backgrounds, with extra features including a multi-denominational space for celebration or commemoration.
